INFORMATION ABOUT ARRIVAL AND DEPARTURE VIA TRAIN AND BUS:

IMPORTANT INFORMATION regarding the search for connections on **bahn.de**:

Arrival: set **SUMMER BREEZE** as destination
Departure: set **Dinkelsbühl Schießwasen** as start

We recommend travelling via the train stations Ellwangen. This year, we have more special buses which will again take you from there directly to the festival site, without changing in Dinkelsbühl. We are using mostly low articulated buses, so we have enough room to carry everything you are bringing for a satisfying festival experience. **New in 2019: No more changing between Stuttgart and Ellwangen – all trains go direct.**

We will as well have additional special buses from Ansbach directly to the festival site, for a special prize.

There won't be any more special buses from Crailsheim to the festival site, but there will be more of the regular buses instead. Same goes out to the buses from Dombühl, where we have enough of the regular buses scheduled.

Travelling from Munich and Augsburg, you can use the buses from Nördlingen as an alternative to Dinkelsbühl. On the day of departure, the first connections to Dombühl, Ellwangen and Nördlingen also depart from the festival site. Later in the day, shuttle buses will take you to Dinkelsbühl, where we will be working for you from 07:00am at the Schießwasen bus stop (and we'll have fresh coffee too!).

At our stand you can purchase the Bayern-Ticket, Baden-Württemberg-Ticket (also BWT-Young), Metropolticket of the Stuttgart Region, as well as tickets by OstalbMobil and KreisVerkehr Schwäbisch Hall. We are happy to help you find the fastest or cheapest connection home. Please make use of our service and purchase these tickets directly from us (EC cards are welcome). Our service, as well as the bus services to Crailsheim, Ellwangen and Nördlingen are financed exclusively by the ticket commissions. Unfortunately, we don't receive anything from internet purchases.

For those travelling to Stuttgart / Ulm / Mannheim, we recommend using the buses to Ellwangen. If your destination is Stuttgart / Heilbronn / Aschaffenburg / Nürnberg (IC), take the buses to Crailsheim. If you're going to München / Augsburg/Regensburg, use the buses to Nördlingen. For travelers going to Nürnberg / Passau / Sachsen / Berlin, use the special buses to Ansbach (DB and VGN tickets not valid). If you are traveling to Ansbach / Nürnberg and the rest of the VGN area, use the line buses to Dombühl. At Schießwasen we might add more buses depending on demand, in order to secure your trip home.

Issued by FahrBus Ostalb GmbH; as of 03/2019. This information is supplied without liability
